

Endowed Chair in Nanotechnology

The Chemical Engineering Department at the University of Louisville invites applications for its Endowed Chair Professorship in Nanotechnology. The endowment and the tenure-track faculty position are funded as part of a major academic research initiative by UofL, the State and the Louisville community. Candidates should have a doctorate in Chemical Engineering or a related field, a BS in Chemical Engineering and a record of achievement in nanometer-scale science and engineering. Appointment may be at the Assistant, Associate or Full Professor level and the successful applicant will be expected to fully participate in the research, teaching and service mission of the Chemical Engineering Department. The preferred areas of interest relate to the broad topics of nanophase materials and nanoscale systems.

Apply by sending curriculum vitae, contact information for references, and a brief statement of research and teaching interests, preferably by e-mail to plluml01@uofl.edu or by mail to Nanotechnology Endowed Chair Search Committee, c/o P. Lumley, Chemical Engineering Department, University of Louisville, Louisville, Kentucky 40292. *AA/EO*.
