

Sam Rangaswamy Scholarship

Application Instructions

Deadline: May 7, 2021

Mr. Sam Rangaswamy founded the Structural Engineers Association of Kentucky (SEAK), a charter member of the National Council of Structural Engineers Association. To encourage the pursuit of excellence in engineering work, and give recognition to special achievement by our fellows, SEAK is now accepting applications for a scholarship award of \$2,000 for the 2021-2022 academic year.

ELIGIBILITY REQUIREMENTS:

- Applicant must currently be enrolled in the Civil and Environmental Engineering Department at the University of Louisville.
- Applicant must be in their 4th year (Senior) or 5th year (MEng) of engineering studies.
- Applicant must have earned at least a 2.75 grade point average (GPA) based on a 4.0 scale. The GPA will be computed by KSEA based on the official transcript submitted with this application. The transcript must be certified and contain GPA from all engineering degree coursework, up to the most recently completed semester.
- Applicant must be a citizen of the United States or permanent resident.
- Applicants must choose Structural Engineering as his/her speciality.

Application Package includes:

- Resume
- Personal Statement communicating why the applicant is worthy of this scholarship (no more than 1 page)
- Official transcript

Please submit applications or any questions via email to:
